*Are you still focused on selling pale white veal?
Your customers aren't.*

*Knowledgeable American Chefs, like their European counterparts,
now know that Rose-Colored veal is superior.*

Here's why:

- Rose colored veal has more flavor.
- Rose colored veal is more humanely raised.
- Rose colored veal comes from calves with enriched iron, making them healthier.

Additionally, Le Québécois:

- Has no added hormones or antibiotics.
- Is fed a natural diet.
- Is fully traceable.
